RE: Angiulo v. David L. Winn, et al., No. 04-40041-FDS

Dear Mr. Castles:

Contained in my earlier Motion For Extension Of Time, I made the mistake of hastily miscalculating the actual two (2) week period from the date of receipt of the Government's Opposition. I respectfully correspond to resolve that miscalculation. My request should of read that I was asking for (14) days "up to and including Friday August 20, 2004" which would reflect the two (2) weeks needed as indicated in my motion.

Would you please inform His Honor that I am requesting until August 20, 2004 in order to facilitate my response to the Government's Opposition. Thank you for your attention to this matter.

Respectfully submitted,

Gennaro Angiulo Pro se
